**REVOCATION OF POWER OF ATTORNEY WITH NEW POWER OF
ATTORNEY AND CHANGE OF CORRESPONDENCE ADDRESS AND
INTERVIEW SUMMARY**

**Revocation of Power of Attorney with New Power of Attorney and Change of
Correspondence Address**

Enclosed is a newly executed Revocation of Power of Attorney with New Power of Attorney and Change of Correspondence Address that revokes all previous powers of attorney and that appoints Rauschenbach Patent Law Group, LLC, Customer Number 23701. The executed document is signed by Dr. Domash, who is an officer of Aegis Semiconductor, Inc. Also enclosed is a Statement Under C.F.R. 3.73(b) which states that Aegis Semiconductor, Inc. is the assignee of the entire right, title and interest of the above referenced patent application and that as assignment was recorded in the United States Patent and Trademark Office at Reel 013594, Frame 0615.

Interview Summary

According to the file history, an interview between Mr. Eric L. Prah (the prior attorney) and Examiner Ling X. Xu was conducted on January 12, 2006. Mr. Prah then filed a Further Amendment After Final Action on January 17, 2006. In this Further Amendment After Final Action, Mr. Prah elected to accept the allowed claims by moving limitations in claim 62 into claim 28 and moving limitations of claim 48 into claim 63. Mr. Prah also eliminated language which he believed did not limit the structure. The Further Amendment After Final Action, however, did not acknowledge the interview conducted on January 12, 2006.

The Interview Summary included with the Notice of Allowability, which was mailed on February 2, 2006, stated that a formal written reply must include the substance of the interview. The Applicant's Attorney did not take part in the interview. However, according to the written Interview Summary, all claims were discussed and the Examiner indicated that the subject matter in claims 62-63 would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. The Applicant's Attorney called Examiner Xu on February 24, 2005 to explain this matter and it was agreed that the Applicant's new attorney would submit this document acknowledging the interview on January 12, 2006. The Applicant's Attorney believes that this Interview Summary satisfies the requirements under M.P.E.P §713.04.
